PRAISE THE LORD 4:05

INTRO: Welcome to Grace Notes. Jesus said in John 16:33..."In this world you will have trouble..". It's not a question of 'whether' adversity will strike, it's 'when' will it strike. In the story of Nehemiah, things were moving along very well until Sanballat and Tobiah, his adversaries, learned that the Jerusalem wall was being rebuilt and the gaps were being closed. They started taunting and ridiculing the Jews and threatened to attack them. What was Nehemiah's response? He prayed and posted a guard to prevent an interruption to the work.

God's ways are not our ways, so when trials come, it's because God has something different in mind. Maybe it's an opportunity to build our faith or to see where our allegiance really lies.

Yes, John 16:33 does tell us that we'll have trouble, but Jesus concludes his remarks by saying 'TAKE HEART, I have OVERCOME the world'. There is no adversity we can't handle when we are 'IN CHRIST'.

On our program today, our host, Barbara Sandbek, will share how she and Dale dealt with some disruptive situations in the building of the radio station in southern Belize. Their prayer for you, as you listen, is that you will be encouraged to trust God in YOUR difficult situations.

.....
Things were progressing incredibly well from the time we arrived in Belize to the point where the teams left. The radio station was on its way to becoming a reality. We continued to be amazed at how God had orchestrated this project long before we got involved. It truly was a remarkable display of His sovereignty and response to prayer. His hand was all over the operation - from the people who secured the license, purchased the land and donated the equipment - to the workers He directed to the site.
.....

This station would impact many people and we knew there would be adversity along the way. We had to choose whether we'd fall into discouragement and stop what we were doing, or whether we'd continue no matter what and trust God for ultimate good.

.....
Adversity takes many forms. There was a shortage of concrete and materials you just couldn't find where we were in Belize. The price of steel increased by 75%, right in the middle of the concrete work. Gas was \$4.06 a gallon and steadily rising, AND it was not always available.

Some of the donated equipment was not functioning. Dale worked on it and couldn't resolve the problems. Again, we banked on God's promise in Philippians 4:19...God will supply ALL your NEED, according to His riches in Glory by Christ Jesus.

Someone once said, "You should never let adversity get you down – except on your knees".

James 5:13 reads...Is any one of you in trouble? He should pray".

We did pray and asked our prayer partners to pray, too. God enabled us to quickly secure replacement equipment. He also moved several people to donate to help with the increasing costs.

Our son, Kevin, upgraded the donated computers and installed software to automate the program schedule. The Lord even provided the shipping expenses, but when they arrived, one of the computers didn't work. AFTER MUCH PRAYER, we found someone who worked on computers and he just happened (sure) to notice that the Video Card was dislodged. It worked like a charm and cost very little to repair!

In all the adversity - PRAYER made the difference. We were able to keep our focus and wait on God's provision – which always came at the right time.

When Nehemiah's adversaries threatened him and his people, he said (Neh. 4:14)..

Don't be afraid of them (or fall prey to your adversaries). Remember

the Lord, who is great & awesome & fight for your brothers, your sons & your daughters, your wives & your homes.

We needed to persevere for the Belizeans to be able to hear the Word of God and be saved.

Because 2 Peter 3:9b says that God is not willing that ANY should perish but that ALL should come to repentance.

Romans 10:17 tells us that faith comes by hearing and hearing by the Word of God. Verse 14 asks, "How shall they hear without a preacher. "

Verse 15 answers with, ' How beautiful are the feet of them that preach the Gospel of peace, and bring glad tidings of good things!

** **HOW BEAUTIFUL** ** 4:37 (13-intro)

.....
"How Beautiful"

How Beautiful the hands that served
The Wine and the Bread and the sons of the earth
How beautiful the feet that walked
The long dusty roads and the hill to the cross
How Beautiful, how beautiful, how beautiful is the body of Christ

How Beautiful the heart that bled
That took all my sin and bore it instead
How beautiful the tender eyes
That choose to forgive and never despise
How beautiful, how beautiful, how beautiful is the body of Christ

And as He lay down His life
We offer this sacrifice
That we will live just as He died
Willing to pay the price
Willing to pay the price

How Beautiful the radiant bride
Who waits for her Groom with His light in her eyes
How Beautiful when humble hearts give
The fruit of pure lives so that others may live

How beautiful, how beautiful, how beautiful is the body of Christ

How beautiful the feet that bring
The sound of good news and the love of the King
How Beautiful the hands that serve
The wine and the bread and the sons of the Earth
How Beautiful, how beautiful, how beautiful is the body of Christ

.....
Nehemiah worked quickly & diligently – long hours from dawn to dusk.
The wall was completed in 52 days and the workers feared the Lord
because they knew it was His work. Their enemies were astounded
and afraid, because they, too, realized it was the hand of Almighty God!
What a testimony to God's faithfulness.

We felt that same way. The building was completed in three months.
This was unheard of in Belize. A contractor there said that such a thing
would normally take over a year to complete.

The purpose of 'HARVEST RADIO' is to sow the seed of the glorious life-
changing message of Jesus Christ into the hearts of the people of
southern Belize and surrounding areas/countries, with the intent of
reaping a harvest of souls that will impact generations to come. Using
the medium of radio broadcasting and programming that is a mix of
Christian music and Biblical teaching/preaching, this ministry outreach
will bring hope to the people, by evangelizing the unsaved and
equipping Believers.

Verse One

In the parking lot of the coffee shop. Just the other day. She
smiled and she said, "Well I'm doin' okay". But I felt her pain. I
took her hand in mind. Said, "It's gonna work out fine". But as
she turned I wondered. Did I just hand her a line. What she
needed most was a word of hope. And a prayer or two. A little

more time and a timely word. Could have pulled her through. So I think of her And I wonder too is anybody hurting. And sitting right next to you.

Chorus

Shine the light, share your faith. Show the world that JESUS is the answer. JESUS is the way. Together we can make a difference. Be a beacon in the dark of night. Share your faith. Hold it high. Shine the light.

Verse Two

Anywhere you go, any country road, Or city street. Any lonely life, a hurting heart. Somebody in need. They all ask one thing. Where is love and truth. But if you know JESUS. Then you know what to do.

Repeat Chorus

Let your light so shine. So everybody will see JESUS. Let your light so shine. To glorify your Father in Heaven

Repeat Chorus

Share your faith. Hold it high. Be a beacon in the dark of night. Share your faith. Shine the light

I'VE NEVER BEEN OUT OF HIS CARE 3:18

BELIZE MUSIC

Welcome to Grace Notes. It's been said that God is the only One who can work good out of bad. Those of us who choose to believe this, find it to be true. Also true, is that when we decide to follow Christ and serve Him, we will encounter adversity, because we live in a world that caters to sin and rejects holy living. Even Jesus, when he was ministering on earth, was constantly under attack. But with all the disruptions, He still accomplished His task to provide eternal salvation for all who believe—and that's not only good—that's GREAT. God will provide what we need to be ambassadors for Christ. On our broadcast today, our host, Barbara Sandbek, will show us how God worked good out of some tough situations that arose when she and her husband, Dale, first arrived in southern Belize, where they planned to build the first Christian radio station. But first, let's listen to a song that gives good advice for handling any struggle we come up against.

***** PRAISE THE LORD *****

Yes, that's good advice. Put on the garment of praise for the spirit of heaviness. A lady I know said she played that song for her six-year old son and he memorized all the words. His favorite line was... "Now Satan...he's a liar!". That's so true. In fact he's the father of lies. I figured if this little boy can remember this throughout his life, he'll never succumb to Satan's attacks. 1 Peter 5:8 says that the devil prowls around like a roaring lion looking for someone to devour, but verse 9 says that we can resist him by standing firm in the faith.

In the story of Nehemiah, we find that Nehemiah met with adversity almost immediately after he made his plans known. Two governors of the surrounding regions were very much disturbed that someone had come to promote the welfare of the Israelites and they spent a great deal of time trying to thwart his efforts. But this didn't stop him from plowing forward—he had a job to do and he knew God was with him. I love how 1 Corinthians 1:25 puts it...

—The foolishness of God is wiser than man's wisdom and the
—weakness of God is stronger than man's strength.

Adversity takes many forms. We choose whether we will become discouraged or not. Even before we left some situations arose, one of a

~~serious nature, that could have caused us to back out, but we kept focused on our calling and prayed. The more we trusted God, the more assured we were that He wanted us to do this project.~~

~~We arrived in Belize and were immediately elated when the customs agent had us open every suitcase but the one that contained all the vitamins we had bought to keep us well. We hadn't intended to sell them, but they could have charged us a great deal of money in duty fees because we had no proof.~~

~~Our missionary friends were to meet us at the airport and we were going to drive around the city that day and the next to find a car. We stood on the sidewalk for about an hour and a half and finally realized they weren't coming. It was good that we'd been there before, otherwise, we may have been fearful. The taxis were coming sparsely so we realized we needed to hail one down quickly. We started walking toward the one that came. Then another taxi pulled up behind him and they started arguing. Finally, the second driver told us to come with him and the first man gave him no fight. After we were inside, the driver told us that the first man was not a licensed taxi and if he came near a checkpoint along the road (and there were many) he would dump us off, baggage and all, on the side of the road. I asked him what his name was and he said, 'Emmanuel'. That means 'God with us'. I thought, "Man this is gonna be good!"~~

~~We settled in at the hotel and called our friends. They had thought they were to be there the next day. What a way to start—up then down. But, once again, we chose to see what was allowed, as from God.~~

~~The next day our friends came up and we began the search for the 4 x 4 diesel car we thought we needed. Most of the cars had something major wrong with them or were too expensive. We had our prayer warriors praying specifically for this day because it was imperative that we get a car in the city. There were none where we were planning to live. Our friend's car's alternator went up and in the middle of everything we had to find parts. Nothing is simple in Belize. We had to spend an additional night in the motel but the next day we found our car—a 1989 Fifth Avenue we named Bessie. It wasn't even on the car lot because the dealer figured no one wanted it—it was an 8 cylinder and gas was over \$4.00 a gallon. The great thing about the car was that everything worked—even the power windows. The dealer's~~

~~helpers often used it to take on dates—they all loved it and kept it in shape. With the price being much lower than we'd planned, we figured we could afford the gas. The extra day spent there allowed us to get a wire transfer along with the insurance and the tags. We wouldn't need to make the expensive and time-consuming trip back. Now, isn't God is the perfect orchestrator.~~

~~We had started our journey by seeing the Lord's hand and realizing how He had already planned for this up-and-down day so we could learn to count on His faithfulness and appreciate His blessings. This was just the beginning of more to come.~~

~~There would have been reasons to be concerned and reasons to fear, if we didn't have God to guide us. So I say to you...~~

~~*If the light of your life seems to flicker and falter
Especially when difficult times appear
If the weight of your load's like the Rock of Gibraltar
And you cannot have joy for you only have fear
Then turn your cares over to God, your creator
He made you, He knows you. He'll carry your load,
Trust Him and see how He makes all things happen
For good as your travel down life's windy road.*~~
